Our hotel is fully accessible with lifts to each floor and specially designed rooms with accessible features.

ACCESSIBLE ROOMS

WIDER DOORWAYS

Accessible rooms are designed with broader doorways, facilitating easy passage for guests using wheelchairs or mobility aids.

ROLL-IN SHOWERS

Ensuring accessibility, our bathrooms feature roll-in showers without curbs, offering enhanced ease of entry and exit for wheelchair users.

SUPPORTIVE GRAB BARS

Strategically placed in bathrooms near toilets and showers, grab bars serve as additional aids, providing support for guests facing mobility challenges.

SENSORY ALERTS

Our accessible rooms are equipped with visual and auditory alarm systems, addressing the needs of guests with hearing impairments and ensuring their safety during emergencies, including specialised features like a deaf guard.
